

CELEBRATING 20 YEARS OF GIVING

# SPARK OF LOVE

FROM ABC7 & THE SOUTHERN CALIFORNIA FIREFIGHTERS

*The City of Riverside Fire Department will once again join KABC 7 for the 20th annual Spark of Love Toy Drive. This campaign collects new, unwrapped toys and sporting equipment for the underserved children in our community. Last year alone, Spark of Love collected over 7,500 toys in the City of Riverside. Toys collected here are distributed locally to children within the City.*

You can support the Spark of Love Toy Drive by bringing a new, unwrapped toy or sports equipment to any of the fourteen City of Riverside fire stations anytime between now and December 24, 2012. A list of fire station locations are online at: [riversideca.gov/fire/pages/stations.aspx](http://riversideca.gov/fire/pages/stations.aspx)

*You can also donate and have some holiday fun by attending one of these family-friendly events:*
